Disclaimer: Pre-purchased tickets are the property of Geysers Falls Water Theme Park at Pearl River Resort. Hours and dates of operation are subject to change without notice. Tickets are valid any operating day unless noted other wise on the ticket. As the ticket purchaser I understand it is my responsibility to ensure my group is aware of all park rules and regulations. Rules are posted at the park entrance and on safety signs throughout the park. A copy of the park Code of Conduct is available by request from our office or online at www.GeysersFalls.com. For guest safety, Geysers Falls strongly recommends and I understand that if I have any attendees between the ages of 12 -18 years of age, a responsible chaperone should be provided at a ratio of at least 1 chaperone per 15 youth. Additionally, Geysers Falls strongly recommends and I understand that for participants under the age of 12, constant adult supervision is required by a responsible adult at a ratio of at least 1 chaperone per 5 children. My failure to abide by these terms may result in the exclusion of both myself and my children/youth participant from Geysers Falls without a refund of purchase price. I understand that, ultimately, my child's / youth participant's safety and supervision is my responsibility.
